WELCOME TO GLASTONBURY

The Glastonbury Mural Trail was conceived to keep Glastonbury colourful. The initiative has brought together a community of artists, intent on beautifying the town, united with local businesses and volunteers who support them. It is free and open to all, residents and visitors, of any age. The Mural Trail champions accessible art and celebrates the towns creative nature.

Since its launch in 2019, it has taken on a life of its own and is continually evolving. This updated map features many new artworks, bringing the total number of murals to over 50. Even if you think you know Glastonbury inside and out, let this map take you on a journey. Chances are there are a few interesting corners of town that haven't inspired you yet.

Sincere gratitude to Kim von Coels of The Krumble Empire for making the Mural Trail a reality, and the Glastonbury Town Council and Glastonbury Chamber of Commerce & Tourism for their continued support.

This project is ongoing, so if you are interested in getting involved, either as a wall owner, sponsor or artist, please contact:
